What is happiness, I hear you say?  
 What helps us smile on those painful days?  
 What sends a tickle through our bones?  
 What helps us talk, in cheerful tones?  
 How does it pick, how does it choose?  
 When to come and when to move?  
 Some people try as hard as they can  
 To steal it away from another man  
 But it's your forever it's yours to keep  
 You must look within yourself  
 When times don't give clue  
 Because happiness is a thing  
 That lives in you.

AGRIM SINGH, VIII

## YOU ARE BEST

You are Best  
 If you always try your best,  
 Then you'll never have to wonder,  
 About what you could have done ,  
 If you'd summoned all your thunder.  
 And if your best Was not as good,  
 As you hoped it would be,  
 You still could say, "I gave today,  
 All that I had in me."
