

CHAIR-PERSON'S MESSAGE

"Constitution is not a mere lawyer's document, it is a vehicle of Life, and its spirit is always the spirit of Age." Cultivation of mind should be the ultimate aim of human existence. Gandhiji has said "The highest form of freedom carries with it the greatest measure of discipline and humanity. Freedom that comes from discipline and humanity can not be denied that is freedom indeed. So I pray and wish that each of us enjoy the inner freedom. Constitution day reminds us the struggle and sacrifices of the great freedom fighter, founders and leaders who formulated the Indian Constitution. We must take the responsibility to treasure it and put them into practice which will bring forth happiness, prosperity and well being of all.

Jai Hind.

MR. SATYAM MALIK

"Education is not the learning of facts, but the training of mind to think."

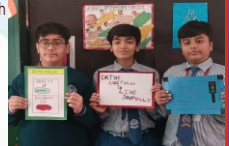

At Lovely Group of Schools, our intent is to promote a progressive society by imparting education that becomes the first step towards empowering students to make this world a better place to evolve and emerge. Our efforts are to change an individual's perspective and enable them to contribute productively.

The unique blend of academics, co-curricular activities and value education imparted at the school continue to set it apart from the crowd. It remains my humble wish that this institution continues to shine as a lighthouse of goodness and truthfulness in addition to academics. The young ones who pass through its corridors may become caring, productive and responsible citizens and future leaders of the country. Once again, I pray that God showers each one of us with his divine grace and blessings, and that our school continues to grow in faith and integrity. May God bless you all!

"Be thankful for what you have, you'll end up having more.

If you concentrate on what you don't have, you'll never, ever have enough."

RED LETTER DAY

Everyday is important but some of the days are there which we celebrate to commemorate important occasions. In the month of November, Children's Day and Constitution Day were celebrated to honour the important days in Indian history.

SCHOOL EXCURSION

Memories of school excursions are among the most prominent of the formative years, largely because they are a welcome break in the routine for both students and teachers. We all know trips and tours are important for interactive and new learning, social interactions and exposure.
